CELEBRITY LOOKALIKE FAILURES!

MELANIE GRIFFITH: This "Working Girl" racked up overtime in surgery. "It would make more sense to find parts that haven't been altered," said Dr. Lyle Back.

NICOLE KIDMAN: Tom Cruise's plastic-headed ex looks fake to our pros. "You can spot the nasal fillers, eyelid work, Botox and a browlift," pointed out Dr. Shahr.

KIM-SANITY: Jordan Parke parted with \$150,000 for cheek, chin and lip fillers to resemble Kim K. - and he's not done! "I want to get my bum done!"

STOP BELIEB'EM: Toby Sheldon spent \$130,000 to become Justin Bieber! He got Botox, lasers and eye and lip surgery. The result? We don't Believe it!

NOT QUITE MIKE: Miki Jay has spent \$16,000 to resemble the late King of Pop. "Most people know I'm a woman, but it doesn't bother them," she said.

PITTS STOP! Mica and Matt Schiepp paid \$29,000 on nose jobs and cheek and chin implants to look like Brad Pitt. Apparently it's a different Brad Pitt.

LOCKERS!
Looks weren't exactly enhanced

TORI SPELLING: "Bad surgery, too many nose jobs, combined with stress and aging," surmised Dr. Back. "If it weren't for bad luck, she'd have no luck at all!"

BETHENNY FRANKEL: "The top of her face is smooth and well done," said Dr. Back. "The bottom is out of synch. It's a clear case of facial schizophrenia!"

BETHENNY FRANKEL: "The top of her face is smooth and well done," said Dr. Back. "The bottom is out of synch. It's a clear case of facial schizophrenia!"

BIG ANG: This "Mob Wife" is Public Enemy Number One to plastic surgeons. "A terrible lip job and veneers make her look like The Joker," said Dr. Nicholas Toscano.

MADONNA: Our experts think the Material Girl's new mug is bad material. "She's obviously had a bad facelift, eye surgery and her lips done," suggested Dr. Yoel Shahaar.

LIL' KIM: With a reconstructed face, the docs give Lil' Kim, 40, a bad rap for big boo-boos. "It looks like bad rhinoplasty, lip fillers and fat implants," noted Dr. Shahaar.

SURGERY SHO

From trout pouts to droopy lids, stars whose look

JANICE DICKINSON: The consensus on this former supermodel: Super-Mess! "Bad facelifts, too many nose jobs, big over-pumped lips. Very ... scary," said Dr. Back.

LINDSAY LOHAN: "Her lips are a mess," noted Dr. Shahaar of the 28-but-60-year-old-looking former Disney kid. "I can't see what she was going for."

LISA RINNA: Lisa's trout-pout lips look like they were dished up at a seafood restaurant, said our doc(k) workers. "That's one really bad job," admitted Dr. Shahaar.

TOI: too with Dr. [she'
